# Beaverlodge Elementary School

November 5, 2008

Dear Parents:

As Peace Wapiti School Board begins the process of setting the direction for their next Three Year Plan, they have asked School Councils to gather input from stakeholders about the triumphs and challenges in Peace Wapiti Schools. As a School Council, we discussed this initiative at our last meeting on Nov. 4<sup>th</sup> and are very excited to be part of this consultation process.

On the back of this letter, there is a short questionnaire that we would like to ask you to complete. It asks three distinct questions:

- **What is working well at Beaverlodge Elementary School?**
- **What are the concerns or challenges facing Beaverlodge Elementary School?**
- **In your opinion, what are some possible solutions to address the concerns or challenges identified in question 2?**

**From your perspective as a parent in our school, we would like your input.** Survey results will be collected by School Council and the responses reviewed to find any common themes. This data will be forwarded to Peace Wapiti School Board and combined with the data collected from other School Councils in our district. The combined data will help Peace Wapiti set their District Goals for their next Three Year Plan.

This is an anonymous survey. We hope that you will take this opportunity to complete this survey and give us your input. The completed survey can be sealed in the attached envelope and returned to Mr. Cincurak at the school. **Please ensure that your completed survey is returned to the school by Dec. 5<sup>th</sup>, 2008.**

We thank you in advance for taking the time to help us to provide Peace Wapiti School Board with valuable input that will help them chart their direction for the future.

Yours truly,

Marilyn Snell  
Chair – B.E.S. School Council

Paul Cincurak  
Principal B.E.S.
