

## **POLICY GBCA – Conflict of Interest (Nepotism)**

**The Board recognizes that all qualified candidates and vendors should be provided with the opportunity to be considered for employment and/or other contracts. Family relationships should not unduly or unfairly restrict opportunities with the school division.**

**While no candidate/vendor will be denied an employment/contract opportunity on the basis of marital status, common-law relationship, or familial relationship alone, established practices should be conducted to avoid conflicts of interest.**

### **PURPOSE:**

To protect Peace Wapiti Public School Division employees from accusations of nepotism and to ensure that decisions around resource allocations are open to fair competition.
