POLICY GCAEA – Hutterite Colony Administration

Day to day administration on Hutterite Colonies needs to be primarily carried out by a teacher on site as many issues require a close working relationship with the Hutterite Elders and an understanding of their ways and beliefs. Therefore, one teacher at each Colony school will be identified as the lead teacher. Hutterite Administrator(s) will be appointed by the Superintendent to oversee operations of Colony schools.

PURPOSE:
To define the role of the lead teachers and the administrator(s) at Hutterite Colony schools.
