

## **PEACE WAPITI PUBLIC SCHOOL DIVISION NO. 76**

### **POLICY GCL – Staff Development of School Based Personnel**

The Board recognizes that participation by teachers and support staff in professional development, in-service education, and staff development leads to improvement in the quality of education for students. The primary goal of staff development is to establish and promote high standards of practice. All staff members can benefit from participating regularly in a variety of professional development activities,

The delivery of professional development is a joint responsibility of the Department of Education, Peace Wapiti Public School Division No 76 and the Alberta Teachers' Association. Acting in partnership, these groups promote competence and assist staff in keeping abreast of the changing nature of education and schooling.
