

PEACE WAPITI PUBLIC SCHOOL DIVISION NO. 76

POLICY HGAE – Health Education

The Board accepts that the Human Sexuality component of the Health Education is taught in its schools.

GUIDELINES & PROCEDURES

The Board authorizes the Human Sexuality component of Health curriculum under the following conditions:

1. Only resources approved by Alberta Education, Alberta Health Services or the Board shall be used. The Board delegates this responsibility to the Superintendent as per Policy CB.
2. Schools respect the wishes of parents about their child's participation in discussions involving Health Education.
