

**Beaverlodge Regional High School  
FOIP Consent**

Dear Parent(s)/Guardian(s):

As required under Sections 32 and 33 of the FOIP Act, informed consent is required when a student's personal information is shared outside the school environment. In an effort to reduce the number of consents that are required by Beaverlodge Regional High School, we have incorporated a number of activities where our students' personal information may be released. Your consent is voluntary, may be revoked at any time, and will be valid only for the 2011-2012 school year. There may be additional activities that will still require consent. If consent is not provided, alternative arrangements will be made, but it may be necessary to exclude your child from the activity. Please contact the school principal with any questions or concerns.

Throughout the course of the year your child may be interviewed, photographed, or videoed; have his/her work displayed, photographed, or videoed; or be identified or identifiable, by Peace Wapiti Public School Division No. 76 or Beaverlodge Regional High School for:

- school or board newsletters, including the Peace Wapiti Spotlight, and may be distributed throughout the school division and neighbouring communities. These publications may also be downloaded onto the Peace Wapiti Public School Division webpage, [www.pwsd76.ab.ca](http://www.pwsd76.ab.ca), or our school's webpage [www.brhs.ab.ca](http://www.brhs.ab.ca)
- our local community newspapers: The Advertiser, Beaverlodge and District News, and the Grande Prairie Daily Herald-Tribune, which may also be downloaded onto the World Wide Web. Other media outlets may include the Edmonton Journal or CTV News.
- events at the Beaverlodge and Area Cultural Center
- 10,000 Villages and the Bethlehem Market.
