Principal Message

2020 keeps rolling along and we are almost into December, wow! Considering we were not sure what this school year would look like I am excited, by how well the year has gone and thrilled that our students are enjoying school as much as they are. Not to dwell too much on the obvious but this school year has been very different for all of us, but with events like parent teacher interviews, virtual assemblies, volleyball, our virtual Remembrance Day ceremony and now report cards, the school year is taking on a more normal feel to it with every passing day.

In the coming weeks we have report cards going home and the start of Term 2 on November 30th. Then it is only 3 weeks until the Christmas Holidays which will fly by. I know it is not the official halfway point of the school year but I always use the winter break as a checkpoint for how the school year is going and overall I am very pleased with how our community has done through these abnormal circumstances.

In closing, I want to say thank you again for trusting the process that we have gone through here at CCS to keep the school open and everyone safe. Your diligence as a community has allowed us to continue to provide in person learning and to provide as normal of a school experience as possible. Thank you and I hope everyone has a great December.

Bye for now

Scott Bowen
Principal CCS
