JUNE 2020

PRINCIPAL ADDRESS

TO THE CLASS OF 2020

It is a privilege to be able to make this address, congratulating you all on your graduation. You have all worked very hard, with the help from parents, teachers, and classmates to get where you are today. It wasn't always easy, however each and every one of you overcame difficulties, persevered, and in some cases fought your way through to this milestone. I am in awe of the dedication that you all have shown.

The graduating class this year is comprised of students who have shown remarkable citizenship. Melody Mattson-Smith, Summer Neitz, Dustin Schempp and Koy Schempp have all gone above and beyond to help out in any way they could at the school – whether it was running the canteen to ensure all students had access to lunch, helping out in various classrooms, or taking some time to work with the custodians to ensure a safe school environment for all.

Each of the grads was always eager to help out in any way they could.

On behalf of all staff I want to say how proud we are of all that you have accomplished, and we know that whatever you choose for your futures, they promise to be bright.

Ms. Koning

ASSISTANT SUPERINTENDENT ADDRESS

Hello grads parents and guests of the Eaglesham graduating class of 2020. My name is Kevin Elias and I am the Assistant Superintendent for Peace Wapiti Public School Division. First I'd like to say congratulations! Completing your grade 12 education is a great accomplishment, one that I am sure you have all been counting down the days for some time now! You are graduating in uncertain times during this COVID 19 pandemic. However, when we think

of all the changes and everything you have endured we are still extremely fortunate. You are graduating and even though we are celebrating it differently than we normally would, we are celebrating it nonetheless.

Graduates, you may have completed your formal education, but that does not mean you are done learning. Some may be moving onto post secondary education, some straight into the workforce, others may still be figuring out what it is they want to do. Whatever it is you choose to do with your life, find something you enjoy and do it to the best of your ability.

As you celebrate your graduation with family and friends, please be safe.

On behalf of our Superintendent, Mr Stewart, and the rest of the administrative team at Peace Wapiti Public School Division, congratulations and best wishes to the graduating class of 2020.

Mr. Elias

Melody Mattson-Smith

Summer Neitz

Koy Schempp

Dustin Schempp

VALEDICTORIAN ADDRESS

Hello, Thank you for taking some time out of your day to listen to my speech.

Somehow I got chosen to be valedictorian and tried to convince them it was a mistake but they seemed to want me to do it anyways. So here we go, wish me luck.

I want to extend a huge congratulations to my fellow class mates and all the others who have graduated in these different times. The last bit of our journey was a little rocky but we still made it through. So way to go guys!

On behalf of this year's grad class I would like to thank all of our parents, teachers, EA's, librarian, and our secretaries, I would also like to thank the custodians for providing a clean and safe environment to learn in, the bus drivers for taking us all to school and ensuring that we got there safe. They all have helped us to get where we are today. Without them I would not be here, but still at home trying to figure out my abc's.

My advice to future grads is: Don't let the little things bug you – it's not going to matter later in life anyways.

Dustin Schempp

GRAD SLIDE SHOW

The grad slide show will be posted on the Eaglesham School Facebook page on Friday, June 19, 2020.
