- School Board Report:
 - The way the money for school councils is allocated is going to change. In the future you must request money for school council members to go to conference or personal development. If you do not request money, you will not receive money.
 - Bill 1: The bill hasn't passed yet. But the bill will reduce school fees by \$88 per student.
- Student Report:
 - Fentanyl presentation in Falher was good.
- Old Business:
 - Education Day has been cancelled. Too many other things going on.
- New Business:
 - If Bill 1 passes, our school fees in Eaglesham will change. Kids will only have to pay for extracurricular or opt out courses.
 - Year End Event on June 22nd for entire school. Ag Society will provide lunch. Obstacle Adventure Race for kids.
 - Breakfast program has started. It runs Tuesday, Thursday and Friday mornings. Kids have the option of going outside to play in the morning or having breakfast before the 1st class. Rotating yogurt and cereal. Serving approximately 30 kids /day. Costing roughly \$20/day.
