- 400 sheets of loose-leaf (to start with)
- pencil crayons - a set of twelve is adequate
- geometry set
- glue stick
- pencil case
- calculator - should be simple and inexpensive (**Grade 9s need a scientific calculator**)
- scissors
- highlighter marker
- 30 cm ruler
- 2 boxes of Kleenex ( for class room use)
- 2 pair of running/athletic shoes (no skater shoes) for PE-1 pair for inside and outside
- set of PE clothes include shorts (no jean shorts), or sweats, t-shirt, hoodie/sweatshirt
