Message from the School:

Dear Parents/Guardians:

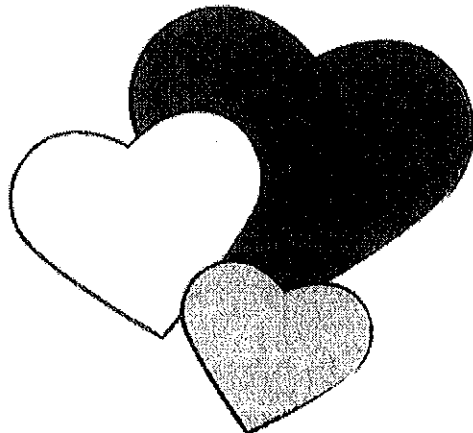

The halfway point of this school year has just passed and time has been going by quickly. Hopefully the good weather will continue but I would not be too surprised if we see a good dose of winter in the next two months.

We can make a difference!

I would like to recommend that each parent/guardian become familiar with the attached Peace Wapiti document titled "Working Together to Resolve Differences." There have been a few occasions this year where I have referred parents to direct their concern to their child's teacher. As the document states, that is the first step in resolving differences when they occur. As you know, we have an experienced staff and we will work with you to improve your child's education and experience here at WES.

If continuing support is required after the initial meeting, I would be happy to meet with teachers and parents to assist in creating a plan that is workable and in the best educational interest of the student.

Working together we ALL can Make a Difference.

Sincerely,

Don MacAskill

Happy Valentine's Day

WE CAN MAKE A DIFFERENCE
