

Farewell from Mrs. Wasowicz

This is my last week as a teacher at Woking School and I thought I would take this opportunity to say thank you and goodbye. I can honestly say that it has been a pleasure to spend most of my days in the last twenty three years in the Grade One/Two classroom. All those wonderful, clever children that I was allowed to grow with. I would like to thank Joan Hardy, Sheila Zahara, Danelle Boychuk and Kathy Anderson for those unbelievably supportive years we have spent together. You have been the foundation of this solid core. So many laughs and commiserations, celebrations and condolences. You truly made this a perfect place to work.

As I am walking out for the last time, I am sure that I will have a lost feeling when closing this door, but I am also looking forward to learning new things and spending time with my family. Yes, even more time after the last three months.

Woking School will always hold a special place in my heart and I am hoping to be able to sub here for the next few years.

Thank you and farewell.

Retired Teacher

Principal's Message

The end of the 2019/2020 school year has come to an end. What a way to spend the last three and half months. Although we do not know the direction the province is going to go in it's August 1 announcement, Peace Wapiti is working on their re-entry plans. These plans will be conveyed over the summer, as necessary, through various means, email, social media, and a mail out in August.

I want to take this time to thank the parents for their diligence in working with their children and keeping them on track, as much as possible. As well, to the staff at Woking School, the teachers and support staff who have worked tirelessly to do the best for the students to make sure that they were getting the support they needed, academically, as well as mentally.

Enjoy your summer, do fun things, rest and relax. We will see you in September.

Danelle Boychuk
Principal
