

Parental Consent to Participate in After-School Activities

Please allow my child _____ to stay after school EVERY

_____ (day)

to attend _____ (extracurricular activity). From 4:00-5:30, my child will be under the aforementioned group's care/responsibility, and I will be responsible for arranging my own child's transportation home at the finish of the group activity. My child will sign-out with his/her supervisor at the end of each gathering. If there is a day that I do not want my child to stay, my child will ride the bus home, or if alternative arrangements are in place, I will send written notification or inform the office.

Please understand that staying after school is a privilege, not a right. Whether students are part of a school team, Guides/Sparks/Brownies, or are attending music lessons, students are expected to follow school conduct protocol.
