

Whispering Ridge Community School School Council

What is School Council?

Whispering Ridge School Council plays an advisory role in school improvement planning. We are a group of parents, principals, teachers and community representatives whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

What are the duties of School Council?

- Advise the principal and board on educational issues that pertain to the school
- Establish and review school council's goals, objectives, action plans and procedures
- Communicate and consult with parents and the school community regarding policies that impact the entire school
- Meets monthly

Who can I contact if I have questions on policies or concerns that impact the entire school?
